Join the rows together in numerical order, starting with Row 1 at the top, matching the seams at the intersections. Press seams towards rows with even numbers.

Press quilt top well.

QUILTING

Layer the backing right side down with the batting and quilt top right side up on top. Baste the three layers together. Quilt as desired.

BINDING

Join the binding strips into one length using diagonal seams, press the seams open and press the length of binding in half with the wrong sides together. Beginning approximately halfway along one side, join the binding to the front of the quilt with a $\frac{1}{4}$ " seam, mitering each corner as you go.

Trim the batting and backing even with the edge of the quilt top. Turn the folded edge of the binding to the back of the quilt and hand-stitch it in place.

October Pumpkin Wall Hanging Layout

Finished square size is $1 \frac{1}{2}$ " (this does
NOT include seam allowances!)
